BRINERS CHOICE® Anhydrous Calcium Chloride Pellets are intended for use in solution form. After dissolving in potable water and filtering to remove insoluble residue, solutions made from Briners Choice® will meet the Food Chemical Codex monograph for calcium chloride solutions. Such solutions are Generally Recognized as Safe (GRAS) for certain uses in human foods (21 CFR 184.1193). Such solutions are also USDA-approved for certain uses in the production of meat and poultry products (9 CFR 424.21(c)) and may also be used in pre-harvest foliar crop sprays as a calcium supplement.
